Volume 50 • Issue 2 **The LEADing NEWS** FALL 2018

H.B. 115 **COMMUNICATION DISABILITY REGISTRY** **EFFECTIVE: AUGUST 1, 2018**

Effective August 1, 2018, House Bill 115 allows an individual to voluntarily submit a verification form, signed by their physician, to the Ohio Bureau of Motor Vehicles to be designated as an individual with a communication disability.

The legislation aims to be a positive, beneficial resource for the law enforcement community and people who suffer from communication disabilities such as autism, a hearing impairment or PTSD.

By notifying officers that the driver may have difficulty speaking before they approach the vehicle, the officer can put into action their training for how to best serve disabled individuals.

The bill allows Ohioans (adults and minors enrolled by parents/guardians) to voluntarily enroll in a protected LEADS database available only to criminal justice agencies.

Must Attend Training For Local Officials

The Role of Local Officials in Disasters

Warren County EMA would like to invite you to attend this collaborative session discussing the role local officials have in disaster planning and response. During this two-hour session, EMA representatives will cover how the local official integrates into the planning and mitigation strategies before a disaster occurs, the command system during disaster response, and the recovery efforts following a disaster.

Topics that will be discussed in this course include: **Introduction to Emergency Management, Critical Infrastructure Systems, County Level Emergency Management, Threat/Hazard Identification**

**Each participant will receive course related materials and accompanying county reference materials that will be useful for disaster response and recovery operations for each jurisdiction. Please register for this course in advance to ensure enough materials are produced for course participants.*

When / Where

April 18, 2019 5:30 p.m. – 7:30 p.m.

Warren County Emergency Management Operations Center
520 Justice Dr. Lebanon, Ohio 45036

Course Registration

If you are interested in attending this course, please register on our website at the following link:

<http://www.co.warren.oh.us/emergencyservices/emergencymanagement/training/registrationForm.aspx>.

E-mail lesli.holt@wcoh.net with any questions.

Legislative Day at The Statehouse

On March 5th, Ohio fire chiefs and emergency management professionals had the opportunity to meet legislators at a reception sponsored by the Ohio Fire Chief's Association and the Emergency Management Association of Ohio. This reception, which was held at the Statehouse in Columbus, provided an invaluable opportunity to network with local legislators and build relationships that improve collaboration for emergencies and disasters. Warren County EMA Operations Manager, Lesli Holt, along with Chief Westendorf (City of Franklin) and Chief Agenbroad (Clearcreek Twp.) attended the reception and spent time talking with local legislators, Representative Scott Lipps (District 62) and Senator Steve Wilson (District 7), along with many other legislators from around the state.

Where Am I?

If you know the location where this picture was taken, email us at melissa.bour@wcoh.net no later than April 22nd. Everyone that has the correct answer will be entered into a drawing for a gift card. Include your name, phone number, department you work for and your guess of the location and any other details. Don't forget to check back next month to see if your name was drawn.

Scott Mullins, Franklin Twp. Fire Dept. guessed the previous location, but that is not where it is now, read below.

1872 School House

This replicated one room school house is located at YMCA Camp Kern.

In 2012, Lebanon resident Tom Mullet, 92 years of age wanted to preserve the original school house in honor of his late wife, Ellen Miller Mullett, who attended school there as a child.

Originally on Hart Road in the city of Lebanon; bricks, lime foundation, fixtures and stone steps from the Hart School were all preserved and moved in 2012.
