

Spring Hiking Series

Come join us this spring as we visit local parks, learning about forests, wildflowers, trees, birds, geology, and more! These FREE hikes will be led by trained naturalists.

Sat., 3/23/24, 10:30am, Forest Nature Hike

- Join us for this leisurely 1.7-mile hike along the Woodland Trail to learn about the current and past forest ecology while investigating the many tree species in this park. We might also find some very early spring wildflowers starting to peek out.
- **UPDATED LOCATION:** **Hisey Park**, 5443 Middletown Rd, Waynesville, OH

Sat., 4/27/24, 10:30am, Spring Wildflower Hike

- By this time, our early spring wildflowers will be in full bloom and more will be starting to show. We will hike grassy fields and woodlands in search of signs of early wildflowers. At the end of our discovery process, you can join us for a 3-mile trek as we hike all the trails at this beautiful park.
- **Hisey Park**, 5443 Middletown Rd, Waynesville, OH

Sat., 5/4/24, 8:00am, Warbler Walk

- Connor Fox from Wild Birds Unlimited of West Chester and Springboro will lead us on this birding walk in search of spring migrating warblers. Please note the earlier start time for this hike.
- **Armco Park**, 1223 North State Route 741, Lebanon,, OH

Sat., 5/18/24, 10:30am, Wildflower & Geology Hike

- Even if you attended our earlier Spring Wildflower hike, different wildflowers will now be blooming. We will hike grassy fields and woodlands in search of signs of wildflowers. At the end of our discovery process, you can join us for a 3-mile trek as we hike all the trails at this beautiful park.
- **Hisey Park**, 5443 Middletown Rd, Waynesville, OH

Come prepared! Dress for the weather and bring water. Hikes are predicated to last around 1.5-2 hours, although you are welcome to stay as long as you'd like. You may attend all of the hikes or just one or two!
