### WARREN COUNTY COMMISSIONERS PRESENT SINCLAIR COLLEGE WITH TUITION ASSISTANCE FUNDING FOR WARREN COUNTY RESIDENTS

WARREN COUNTY, OHIO — The Warren County Board of County Commissioners is committed to higher education for Warren County residents. Since the opening of Sinclair College's Courseview Campus in 2007, the County Commissioners have annually funded assistance for all Warren County Resident enrollees, now totaling \$440,553. Today, a check for \$56,200 was presented to Sinclair College in the Commissioners' Board Meeting.

With a current enrollment of 1,029 students and 51 types of degrees and certificate programs, this investment in the community is worthwhile. The Courseview Campus, located in Warren County, has paved the way for partnerships with each of the county's local public schools, through supplementary guidance staff and dual credit college courses for high school students. The success of Sinclair College has seen 229 graduates and 298 transfers into 4 year college. During the Commissioners' meeting the board heard from Karen Payne, a current full-time student at Courseview Campus, who expressed her appreciation for Sinclair College in helping her transition into a new career.
