The Warren County Park District
Request For Proposals (RFP)
ARMCO PARK RESTAURANT PROJECT

I. PURPOSE OF REQUEST

The Warren County Park District (“Park District” or “WCPD”) is constructing a new restaurant or concession facility at Armco Park and intends on providing food and beverage to its patrons beginning Spring 2019. The Park District is seeking proposals for either an experienced independent contractor to consult with the Park District on establishing and managing a successful restaurant available to the public on a seasonal basis; or, the Park District will also consider proposals from experienced restaurateurs who would lease the premises for the purposes of providing food and beverage to the public on a seasonal and/or a year-round basis.

Interested proposers may provide a proposal for independent consultant services, or may propose a leasing arrangement to the Park District, and may provide proposals for both methods, upon which the Park District will determine which option is best for the Park District.

This RFP represents a solicitation by WCPD for services at (1) individual park site. This RFP is intended to encourage proposers to clearly show that they are qualified to provide food and beverage service in a consistent and revenue positive manner for one (1) year, with possible one year contract extensions. Each proposer must clearly identify their knowledge of restaurant operations, food safety practices, contract relations and demonstrate financial stability.
