H. Awarded contract.

1. ISS Review. 7 CFR 210.19 requires ISS to review each contract between any SFA and FSMC annually to ensure compliance with program regulations. Regulations require ISS’s approval of each contract and renewal year amendment before the contract is executed. ISS is not a party to any contractual relationship between any SFA and FSMC. ISS is not obligated, liable, or responsible for any action or inaction taken by any SFA or FSMC based
on this contract. ISS’s review of the contract is limited to assuring compliance with federal and state procurement requirements. ISS does not review or judge the fairness, advisability, efficiency, or fiscal implications of the contract.

All costs resulting from contracts that do not meet the requirements of 7 CFR 210 are unallowable nonprofit school food service account expenses. When SFA fails to incorporate ISS required changes to solicitation or contract documents, all costs resulting from the subsequent contract award are unallowable charges to the nonprofit school food service account.

2. **Prohibited Items.**
   a. No firm, corporation, or individual shall blacklist or require a letter of relinquishment or publish or cause to be published or blacklisted any employee, mechanic, or laborer, discharged from or voluntarily leaving the service of such company, corporation, or individual, with intent and for the purpose of preventing such employee, mechanic, or laborer from engaging in or securing similar or other employment from any other corporation, company, or individual.
   b. FSMCs may not require any additional liability coverage, regardless of dollar value, beyond that which SFA would require under procurements not involving a FSMC. This prohibition would be effective in any situation where SFA conducts its own procurement or where FSMC procures products on behalf of SFA (reference FNS Instruction 1998-SP-25).

3. **Execution.** After the complete RFP/contract is approved by ISS, the contract must be signed by all local parties. Changes or amendments are not valid unless approved in writing by ISS prior to execution.

2. Students with conditions not meeting the definition of disability but who are unable to consume regular meals because of medical or other special dietary needs will also be accommodated (or not accommodated) per the district decision. Substitutions shall be made on a case-by-case basis when supported by a statement of the need for substitutes that includes recommended alternative foods, unless otherwise exempted by USDA. Such statement shall be signed by a medical doctor or a recognized medical authority.

3. There will be no additional charge to the student for meals of which substitutions have been accommodated per this section of the contract.

O. Dates of operation. SFA will make the final determination of the opening and closing dates of all sites, if applicable.

P. Gifts from FSMC. SFA’s officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors.

Q. Payment terms. FSMC shall invoice SFA at the end of each month for amounts due based on on-site records. SFA shall make payments within 30 business days of the invoice date. Adult meals must be separately identified on each monthly invoice. The cost of adult meals is not an allowable expense to the nonprofit food service account. Upon termination of the Agreement, all outstanding amounts shall immediately become due and payable.
R. **Changes/amendments.** Once approved by ISS, any further changes or amendments to this contract must be approved by ISS prior to execution.

S. **Escalator provision.** For any renewal of an agreement, the compensation to the FSMC shall be agreed upon with mutual written consent between the FSMC and the SFA, provided that any increase in compensation shall not exceed the CPI-U, Food Away from Home index.

II. **Designation of Program Expenses**

A. FSMC guarantees to SFA that FSMC shall be responsible for the expenses as checked under Column I. FSMC shall be responsible for negotiating/paying all employee fringe benefits, employee expenses, and accrued vacation and sick pay for staff on their payroll. FSMC shall factor these expenses into the fees that will be billed to SFA. SFA shall pay directly for the expenses as checked under Column II. Any expenses that will be not applicable to the contract shall be marked with N/A.

Use a Continuation Sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report.
