You may come to all four workshops or just one or two. Whatever you decide, we simply ask that you register so we know how many people to expect each week. Please register by calling the Ohio State University Extension office in Warren County at 513-695-1311 or emailing stanton.60@osu.edu. We just need your name, how many people you are registering, and what workshop(s) you will attend. Thank you in advance!
