

Pre-Trial Diversion Interview Scheduling Notice

IMPORTANT:

An Initial Screening Interview must be scheduled with the Diversion Officer within 7 days of receipt of this packet (or 7 days after initial referral to program). The Interview must then be completed within 7 days following the phone call (total of 14 days from packet receipt / referral).

The Initial Screening Interview will take between 2 – 3 hours and will contain an in-depth interview, budget analysis, detailed review of the application and the rules of supervision.

Following the Initial Screening Interview and review of the application packet, you will be advised by the Prosecutors office if your application has been granted or denied.

Contact information and a date worksheet are listed below for your convenience:
