

BOARD of COUNTY COMMISSIONERS

406 Justice Drive, Lebanon, Ohio 45036 | Phone: 513-695-1250

Due to the necessity to increase COVID-19 prevention strategies, beginning **Monday, March 23, 2020**, if not sooner, all departments under the Warren County Board of County Commissioners will be staffed by essential personnel only. The hours of operation will also be modified to 9AM to 3PM, Monday – Friday. This directive is in effect until Monday, April 6, 2020. At this time, it is highly encouraged to utilize the County’s website or call before visiting a department under the BOCC or another elected office.

All County Facilities are working toward limited accessibility and we ask that all visitors call prior to entering any and all County buildings. Thank you for your patience and understanding as we continue to work through this unique situation. Your essential services will not be halted by this reduction in staff.
