### RENEE CRIST FAINE NAMED CHIEF MAGISTRATE

In recognition of her hard work, excellence in the handling of cases, and leadership among our staff, I have named Renee Crist Faine as our Chief Magistrate, effectively immediately.

In addition to her customary caseload, she will take on a larger role in the Court's policies and administration, a responsibility she has earned since coming on board in early 2017. Renee's service will become even more essential when long-time Magistrate Yvonne Iversen retires at the end of the year (but more on that later).

Renee was a domestic relations attorney for the law firm of Rittgers & Rittgers from 2001 until coming to the Court. She earned her law degree at the University of Dayton and received her bachelor's degree at the University of Kentucky. She and her husband John have four children.

Congratulations, Renee!

Jeff Kirby  
Judge
