Dispatch Stats	5

Warren County Drone

The Warren County Sheriff's Office now has a drone with two licensed pilots. If anyone needs this service, they can contact dispatch who will in turn make contact with their on duty supervisor.

Kings Island Call Volume

Kings Island has only been open for seven days and dispatch has already received 239 911 calls. The majority of these calls are silent, where the dispatcher hears screaming from a rollercoaster ride or just a conversation, because the caller doesn't even know they dialed 911.

Mark Your Calendar!

September 1
Central Square (CAD) Go-Live

October 5-9
Refresher CAD training for dispatchers

Employee Spotlight

Employee of the 2nd quarter will be featured in next month's edition

Birthdays

July

Emmaline Ritchie - 17th

Kenny Losekamp-17th

Jennifer Key - 21st

Chris Dill - 23rd

Milestones

July

Melissa Bour 17th - 20 yrs

“Far and away the best prize that life offers is the chance to work hard at work worth doing.”

Theodore Roosevelt

New Dispatchers EMD & EFD Certified

Congratulations to Ethan Tyree, Tammi Wolf, Kim Adams, Kim Jent and Jeanne Johnson. All passed the Emergency Medical & Fire Dispatching exams after 40 hours of online/live training with IAED (International Academy of Emergency Dispatching.) While waiting for the online classes these dispatchers have been training on radio positions. Almost everyone is signed off on at least one radio position! They are all doing a great job and we are grateful for their commitment to our department.

LEADS

By: Chris Dill, Supervisor, LEADS TAC

Print-On-Demand Temporary Tags

EFFECTIVE JUNE 26, 2020, OHIO MOTOR VEHICLE DEALERSHIPS BEGAN ISSUING PRINT-ON-DEMAND (POD) TEMPORARY TAGS. DEALERSHIPS ARE INSTRUCTED TO DEplete THEIR ENTIRE CURRENT TEMPORARY TAG INVENTORY (CARDBOARD) PRIOR TO ISSUING THE POD INVENTORY.

THE POD TEMPORARY TAG IS PRINTED ON A STANDARD 8.5 X 11 WHITE SHEET OF PAPER. THE TEMPORARY TAGS ARE TO BE PLACED INSIDE, ON THE LEFT REAR WINDOW, OF THE CUSTOMER'S MOTOR VEHICLE. FOR DEALERSHIPS WHO CHOOSE TO SUPPLY CUSTOMERS WITH PLASTIC SLEEVES, THE TEMPORARY TAG MAY BE PLACED ON THE REAR OF THE MOTOR VEHICLE/ MOTORCYCLE.

EVERY TEMPORARY TAG WILL CONSIST OF A 2D BARCODE THAT HAS IDENTIFYING INFORMATION IMBEDDED INTO IT, INCLUDING THE VIN AND MAKE OF THE REGISTERED MOTOR VEHICLE AND THE SSN OF THE REGISTERED OWNER. WHEN RUNNING THE TEMPORARY TAG NUMBER, ALL INFORMATION THAT WAS ORIGINALLY REGISTERED IN THE SYSTEM AT THE TIME THE TAG WAS ISSUED, IS WHAT WILL BE RETRIEVED.

UNLIKE THE CURRENT TEMPORARY TAG, THE POD TEMPORARY TAG WILL NOT DISPLAY THE VEHICLE INFORMATION (EXCEPT THROUGH BARCODE). THEREFORE, PLEASE BE ADVISED THAT INDIVIDUALS MAY ATTEMPT TO USE THE TEMPORARY TAG ON ANY VEHICLE. HOWEVER, IF THAT TEMPORARY TAG IS RUN AND IT DOES NOT CORRESPOND WITH THE VEHICLE/ OWNER INFORMATION REGISTERED IN THE SYSTEM OR APPEARS TO BE OBTAINED FRAUDULENTLY, YOU MAY CONFISCATE THE TEMPORARY TAG.

THE BMV WILL BEGIN ISSUING THE POD TEMPORARY TAGS THROUGH BMV ONLINE SERVICES IN LATE JULY 2020. THIS ONLINE SERVICE WILL ALLOW CUSTOMERS TO PURCHASE AND PRINT THEIR TEMPORARY TAGS. THIS SERVICE IS FOR NEW RESIDENTS TO OHIO, PRIVATE PARTY SALES, OR A PURCHASE FROM A DEALERSHIP WHERE THEY DO NOT SELL TEMPORARY TAGS. ANY TEMPORARY TAG PURCHASED THROUGH BMV ONLINE SERVICES WILL BE ASSIGNED DEALER PERMIT NUMBERS ND000000 OR MN000000 FOR MOTORCYCLE TEMPORARY TAGS.

LATER THIS FALL, THE POD TEMPORARY TAGS WILL BE IMPLEMENTED AT THE LOCAL DEPUTY REGISTRARS. UNTIL SUCH TIME, THEY WILL CONTINUE TO ISSUE THE CARDBOARD TEMPORARY TAG. THEREFORE, BOTH CARDBOARD AND POD TEMPORARY TAGS WILL BE VISIBLE ON THE ROADWAYS.

EMA Spotlight

On June 18th Congressman Steve Chabot visited EMA where Warren County CERT (Community Emergency Response Team), Lee Hite gave a short presentation on their Restart Kit distribution program. The kits contain 6-25oz bottles of Safeguard hand sanitizer, 1-28oz bottle of Spic and Span and 100 non-surgical masks. Over 120 kits were delivered to about 90 small businesses in the area.

While here, we were able to give him a tour of our EOC (Emergency Operation Center) and a quick run down on how we have operated during this pandemic.

Where Am I?

If you know the location where this picture was taken, email us at melissa.bour@wcoh.net no later than July 30th. Everyone that has the correct answer will be entered into a drawing for a gift card. Include your name, phone number, department you work for and your guess of the location. Check back next month to see if your name was drawn. Congratulations to Corey Burton of Warren County Telecom for guessing that last month's picture was of the new jail construction.

June Dispatch Stats

	County	Franklin	Lebanon	County Day Shift 0800-2000	County Night Shift 2000-0800
Total 911 Calls Received in June	5,640	735	554		
Total 911 Calls Year To Date	27,828	3,734	3,221		
Created the Most Incidents in June				Carmen Carson 657	Shelby Davis 478
