# Nature Lovers Book Club

Join OSU Extension Educator, Laura Stanton and Warren County Park Naturalist, Lauren Asquith, for our next Nature Lovers Book Club. This is a casual and informal gathering, so there is no pressure to read the entire book. We look forward to hearing your thoughts and reflections and enjoying the opportunity to connect with others.

In June, we will discuss *The Hidden Life of Trees* by Peter Wohlleben. Bring a friend and join us at the Jones Pavilion in Armco Park. If the weather is nice, we will sit outside under the trees.

For more information, call Laura at 513-695-1311 or email her at [stanton.60@osu.edu](mailto:stanton.60@osu.edu)
