

Kelsie

age 13

Kelsie is a loving 14-year-old girl who wishes to be adopted. She does very well in school and enjoys participating in extracurricular activities such as softball and volleyball. In her spare time Kelsie enjoys arts/crafts, swimming, being around animals, and hanging out with her friends. She is very protective and cares about others.

Her hope is to find a family she feels safe and loving with. Kelsie will need a family that is constantly busy, bring her to all necessary appointments, provide structure, and set clear expectations.

Kelsie has remained in contact with her siblings. This contact was approved and will need to be maintained.

Please contact Katie Pyle, Adoption Caseworker at Warren County Children Services for additional information on Kelsie at (513) 695-1506 or katie.pyle@jfs.ohio.gov
