# CLASS DESCRIPTIONS

---

## 42 CFR

This training will cover 42 CFR requirements as well as who is mandated to follow, how information can be used and when it can be redistributed. Determining when 42 CFR is applicable and how to legally access information about substance abuse treatment.

---

## EFFECTIVE LISTENING

Participants will learn how to enhance their listening skills as well as the barriers to effective listening. They will learn the difference between hearing and listening. They will actively participate in hands on trainings, open discussion and listening scenarios.

---

## ETHICS FOR COURT EMPLOYEES

Common Pleas Court staff are to take Ethics for Court Employees from the Ohio Supreme Court ([OhioCourtEDU@sc.ohio.gov](mailto:OhioCourtEDU@sc.ohio.gov)) as their first Ethics class. Complete evaluation to receive your certificate. Ethics class are now on a biennial schedule and after the Supreme Court class is taken, the next classes can be any Ethics class of your choice.

---

## EVIDENCE COLLECTION

Participants will learn how to establish methods in the collecting of property and evidence acquired in the course of court supervision and in compliance with Ohio Revised Code Chapter 2981.12.

---

# CLASS DESCRIPTIONS (CONT.)

---

## FIELD OFFICER SAFETY PART I & II

### PART I

Students will learn about situational awareness, field preparation, field visits, responsibilities of the contact officer and the cover officer, approaching a home, business, motel, in very rural settings to very urban settings. Also covered will be how to handle different situations that occur during a home visit, persons not on probation, animals, etc.

### PART II

Students will participate in scenarios in order to practice their learned skills and apply them in actual hands-on training using role players. They will be evaluated on 20 performance objectives on each scenario. All performance objectives may not apply to each scenario.

---

## GRACIE SURVIVAL TACTICS (GST)

In this class, students will understand and learn the Gracie method of self defense and the key self defense principles that optimize the chances of survival. Students will learn how to react in surprise attack encounters and how to defend against these, survival and escape strategies, weapon retention techniques, and arrest and control procedures. Students will also learn how to apply these skills while working with a partner.

---

## RANGE TRAINING (Not open to anyone outside of Warren County Court Services)

In this class, students will practice precision shooting, sight acquisition shooting, close quarter retention shooting, multiple target shooting, shooting from a barricade, two hand grip shooting (dominant and non-dominant sides), one hand grip shooting (dominant and non-dominant sides), emergency reload training and shooting, reload with retention training and shooting, using and shooting with a flashlight, shooting from multiple distances, moving and shooting, drawing from holster, drawing and shooting from holster, and practice verbal skills.

---

## INFECTIOUS DISEASE

Participants will develop a broad understanding of the many different kinds of infectious processes to which our bodies are subjected to on an ongoing basis. Court policy will be discussed and reviewed.

# CLASS DESCRIPTION (CONT.)

---

## REPORT WRITING

Participants will learn the basics of report writing. They will learn how to write reports that are comprehensive and concise; how to keep them simple and easy to read. Participants will learn how to prepare a thorough report with respect to content, grammar, capitalization, punctuation and word usage.

---

## SITUATIONAL AWARENESS TRAINING

The following course was designed for Court Personnel, Treatment Providers and Administrative Staff that deal with addicts and criminals as part of their daily job routing. This course is designed to cover the basic aspects of attack management and self-defense in the event of an unprovoked attack. Topics covered will include: ambush prevention; office safety; attack management; balance, stances and movement; strikes; choke and grab escapes and ground survival.

---

## SUBJECT CONTROL

In this training class, students will learn to establish and maintain control of a situation and the people involved whether non-compliant, compliant or deadly. Additionally, students will gain an understanding of legal standards as it pertains to use of force. This course covers defensive and offensive tactics while performing armed and unarmed skills. The goal of this class is to assist officers in developing physically and mentally.

---

## USE OF FORCE

In this training the organization's Use of Force, Firearms, Less-Lethal Weapons, and Use of Force Investigation policies will be discussed. Through a comprehensive review of Ohio Revised Code statues, applicable case law, video scenario review, and situational examples, the attendees will be thoroughly familiarized with policies and procedures.
