Local Business Owner and Lebanon City Council Member Appointed to Warren County Park Board

The Warren County Park District is proud to announce the appointment of Wendy Monroe, co-owner of 22Three, Inc. and Lebanon City Councilmember, to its governing, three-member Board of Commissioners. Mrs. Monroe was sworn in as Park Commissioner on September 21, 2021 by Warren County Probate Court Judge Joe Kirby. Mrs. Monroe will fulfill the remainder of the three-year term left vacant by the recent passing of long-term Park Commissioner Fred Bay.

“After a thoughtful and extensive search, we are elated by Judge Kirby’s appointment of Wendy to the Park Board,” Board President Jeff Blazey said. “Besides being extraordinarily well-qualified in her own right as a prominent community member and business owner, we’re proud to have Mrs. Monroe serve as our first female Park Commissioner in our Park District’s over 50-year history.”

Mrs. Monroe currently serves on Lebanon City Council, but is not seeking reelection on the November ballot due to her upcoming move to Turtlecreek Township. “While I’m certainly sad to see my time on Lebanon Council coming to an end,” said Mrs. Monroe, “serving on the Park Board opens up a whole new chapter in my life and allows me to remain closely involved with the community I love. I look forward to serving not just the residents of Lebanon, but all Warren Countians through my active involvement on the Park Board for many years to come.”

With an annual operating budget of around \$1.8 million, the Warren County Park District owns and operates 19 park properties on over 1,700 acres. More information on the Park District and opportunities to get involved are available at:
