

Warren County Probate/Juvenile Court Legal Help Center

Thursdays, 1:00 pm to 4:00 pm

An attorney will be available to help with any legal questions you may have regardless of your financial situation.

The Legal Help Center is available on a walk-in basis Thursdays, from 1:00 pm to 4:00 pm. *Pro se* litigants will be provided with packets containing all the paperwork required for potential filings, as well as general instructions for completing the forms. Meeting with the attorney in the Legal Help Center does not constitute an attorney-client relationship. As such, the Attorney will not represent the *pro se* litigant and will not appear in Court unless other arrangements are made. The Attorney can answer general questions and provide legal advice regarding court proceedings and other general information the *pro se* litigant may need to litigate their case.
