RE: POST-PLACEMENT AFTERCARE GROUP

This is to inform you that the Mary Haven Program has been expanded to include a post placement aftercare group for all residents who successfully complete the Mary Haven program. This treatment group will help facilitate your child's adjustment back into their home, community and school. It will be required as a part of their probationary release terms.

At your child's release hearing, the court will order their participation in this six week program. The groups will be held weekly on Monday from 5:45 pm to 7:00 pm at the Mary Haven Youth Center.
